JULES PAOLI

Vice President

TESTIMONY

I am from a Catholic, Italian family, and 1 of 7 kids. I attended Catholic schools for 12 years and knew about Jesus but never had a personal relationship with Him. I am married with 4 kids and 3 grandkids.

Our Lord graciously called me to Himself in August of 1985 when I was 29 years old. There has never been a time since then when I haven't seen the good works He prepared in advance for me to do, serving Him and His Church. I have been blessed to minister to His people in many areas including all leadership roles in Christian Service Brigade for more than 35 years, PCA Elder, and countless positions in the church and committees.

Unbeknownst to me, Prison Outreach ministered to a family member of mine who is now servicing God in ministry. I only became aware of this once I was invited to join the Board of Prison Outreach of Delaware.

As I approach retirement, I have been praying the Holy Spirit would once again direct me in how I can serve, and this opportunity became an obvious choice. I am convicted that there are men so close to home that need the Love of Jesus and the eternal life He offers. It is my desire to continue serving Christ by supporting the Prison Outreach of Delaware Pastoral Staff, Staff, Board Members, and most importantly, those incarcerated and eventually returning to a more productive life.

Only by His Grace,
Jules Paoli
