MARK WHITEMAN

Secretary

TESTIMONY

I came to faith in the Lord Jesus at 16 years of age. I have been a member of Bible believing churches ever since. I have served as a ruling elder in Presbyterian Church of America for almost 40 years. I was employed for 28 years in a county prison as a correctional officer and maintenance supervisor. While watching and working with chaplains at that prison I became convinced that prison ministry is very worthwhile.

I witness many inmates with very hardened hearts come to know the Lord Jesus as Savior and Lord. I believe that the inmates have a great deal of time to reflect on their fractured lives and have their hearts changed by the Holy Spirit. Therefore, having God's Word presented to them is crucial. Our Prison Ministry does this very thing.

I have been part of this Prison Ministry for 11 years, serving as Vice President and now as Secretary. I encourage you to support The Prison Outreach of Delaware. Lives are saved and our whole society is made better.

Blessings,
Mark Whiteman
