## TESTIMONY

---

I was on staff at a Presbytery of Philadelphia church camp in the Pocono Mountains while I was 17 and 18.

One of my tasks was each afternoon for many weeks, I was tasked with building an outdoor worship chapel on the ridge overlooking the camp river valley. That included bench seating and a large cross, all cut from raw timber and hand-hewn logs.

While making and erecting the large 15-20 foot cross I had cut, debarked and hand hewn for the notch of the cross, I realized and accepted the love God gave to us through the sacrifice of His Son so we may have everlasting life.

I realized we need to seek His forgiveness as a sinner each day and strive to live a life following Jesus Christ.
